

# Instructions To Add A Coupon Code Before Checkout

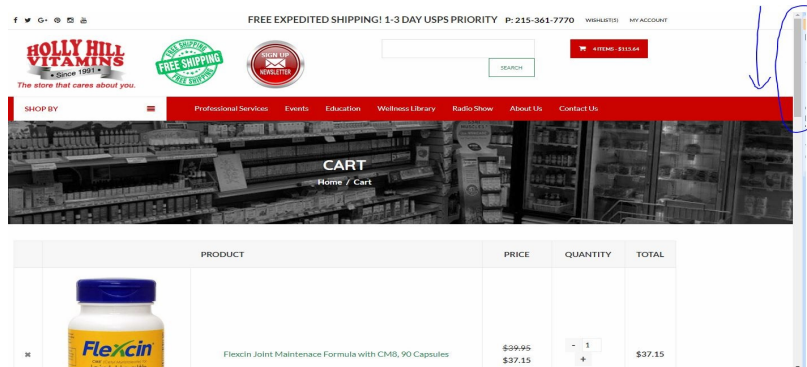

Step 1.– With 1 or more items in your Cart, Scroll to the top of any page on our website and locate and click the RED BOX that shows the number of items and dollar value of your order. (That sub total dollar value *does not* reflect Shipping Credits or Coupons.)

Step 2.– Click the red VIEW CART button.

Step 3.– Scroll down to the bottom of the page.

Step 4.– Enter the coupon code into the box with the light grey text labeled COUPON CODE.

Step 5.– Click the next box over labeled APPLY COUPON.
